2010 to 2015	Planning Committee Member, Emerging Concepts in Cardiovascular Care Symposium for Spectrum Health
2009 to 2010	Project Co-Team Leader, Reducing Percutaneous Coronary Intervention Complications, Spectrum Health

### **Professional Development**

3/2018 to 11/2019	Emerging Educator Administrator Institute - Sigma Theta Tau International's
10/2019	Best Practice for Online Course Design – College of Nursing Teaching Commons
6/2019	National League for Nursing Nurse Educator Certification Prep Course – Washington, D.C.
9/2018	The Future of Digital Learning – Academic Advancement Network
8/2018	New Administrator Orientation – The Graduate School
5/2018	Re-envisioning Mentoring as Learning: Promoting Growth, Reciprocity, and Success – Academic Advancement Network
5/2018	The Anatomy of a Learning Objective: Creation, Implementation, and Assessment – Academic Advancement Network
5/2018	Quick start: key MSU policies
5/2018	Agility as our structure: Locating interdisciplinarity as emergent team teaching and learning – Academic Advancement Network
5/2018	The anatomy of a learning objective: creation, implementation, and assessment – Academic Advancement Network

5/2018	Teaching writing within your discipline – Academic Advancement Network
5/2018	Learning from experience: Teaching case studies with big ideas – Academic Advancement Network
5/2018	Implementing competency-based education in programs and courses: Three perspectives – Academic Advancement Network
5/2018	Designing a course using student selected learning assessment strategies – Academic Advancement Network
3/2018	Strategic Planning Module – Sigma Theta Tau International
3/2018	Budgeting/Finance Module – Sigma Theta Tau International
3/2018	Legal Consideration Module – Sigma Theta Tau International
3/2018	Donor Securement Module – Sigma Theta Tau International
12/2018	Quality Matters Peer Reviewer Course
10/2017	Applying the Quality Matters Rubric
10/2017	Introduction to Quality Matters

### **Mentoring & Educational Activities**

2019 to 2020	Michigan State University, Undergraduate Research Nursing Student – Ally Alfaro and Megan Schoenberger
2018 to 2019	University of Michigan Flint, McLaren Greater Lansing Registered Nurse, Graduate Nurse Practitioner Student – Allison Harris
2018 to 2019	Michigan State University, Undergraduate Research Nursing Student – Payton Korhorn
2018 to 2019	Doctoral Nurses Association, DNP Faculty Mentor
2018	Master of Science Nursing, Clinical Nurse Specialist Scholarly Project Will Mobility Three Times a Day Keep Inpatient Complications Away? A Structured Mobility Pilot – Kelly Ashcraft

Quality Improvement: Battling Alarm Fatigue from Cardiac Monitoring Leading to Desensitization – Megan Hansen

DO and DIE: Delirium Outcomes and Delirium Identification Education – Rachel Justice

Urogynecologic Postoperative Urinary Retention in Female Postsurgical Patients – Caroline Maass

No One Stands Alone: Preventing Falls, One Patient at a Time – Michael Martel

Naloxone Distribution upon Hospital Discharge to Reduce Opiate Overdose Mortality – Stephanie Mullennix

A Quality Improvement Project for the Care of the Dying Patient – Lynn Van Regenmorter

2016 to 2017

Master of Science Nursing Student Preceptor for Purdue University, Calumet – Mary Tibbe, BSN, RN

2014 to 2016

Nurse Practice Associate co-mentor, Spectrum Health

2014 to 2016

Hope College Nursing Students  
Research Mentor  
Grand Rapids, MI

2014

Academy of Health Sciences & Technology  
Guest speaker for High School Seniors  
Grand Rapids, MI

2011 to 2016

Master of Science Nursing Student Preceptor for Michigan State University, College of Nursing

2011 to 2016

Community LVAD Education

2011 to 2016

Post-Conference Presentation for Hope College - LVAD  
Grand Rapids, MI

2008 to 2010

Nurse Research Mentor to 6 South Nurses, Spectrum Health
